You Helped Raise:
\$50,000+

All 500 continue to host gatherings and continue on and on until every neighborhood is aware of the danger of sex trafficking!

Operation costs have been donated by a private donor so 100% of donations go towards prevention of sex trafficking through our home awareness program, youth program, and community events.

The cost to support a victim of sex trafficking per year is approx. \$28,000. The cost to support a victim that has been incarcerated is approx. \$30,000-\$60,000 a year.

We need to prevent sex trafficking!
